This Response is directed to the Advisory Action mailed on January 26, 2006 in response to Applicants' Response mailed December 5, 2005, responding to the Final Office Action mailed October 4, 2005. Authorization is given on the last page of this paper for the payment of fees for a petition for a two month extension for the period to respond. The Examiner is respectfully requested to reconsider and withdraw the rejections under 35 U.S.C. 102 and 103 in view of the following remarks.

Claim Rejections under 35 U.S.C. § 102

In the Final Office Action, the Examiner fundamentally asserts that the term "metal heater layer" encompasses metal oxide heater layers as disclosed in Ohnishi, et al., and therefore
